

## **STAND BY ME**

When the night has come, and the land is dark  
And the moon is the only light we'll see  
No I won't be afraid, no I won't be afraid  
Just as long as you stand, stand by me

So darlin', darlin', stand by me, oh now now stand by me  
Stand by me, stand by me

If the sky that we look upon should tumble and fall  
And the mountains should crumble into the sea  
I won't cry, no I won't cry, I won't shed a tear  
Just as long as you stand, stand by me

So darlin', darlin', stand by me, oh stand by me  
Stand by me, stand by me, stand by me

So darlin', darlin', stand by me, oh stand by me  
Stand by me, stand by me, stand by me

Whenever you're in trouble won't you stand by me, oh now now stand by me  
Oh stand by me, stand by me, stand by me

(2 choruses a cappella)

(1 big chorus with band, big ending)
